

Deutsche Gesellschaft für Elektronenmikroskopie e.V.

Deutsche Gesellschaft für Elektronenmikroskopie e.V.  
(German Society for Electron Microscopy)

announces the

## ERNST RUSKA PRIZE 2005

for outstanding achievements in the field of Electron Microscopy.

The Deutsche Gesellschaft für Elektronenmikroskopie invites to propose candidates for the newly established Ernst-Ruska-Prize. The prize is awarded for work carried out by younger scientists pioneering new capabilities of Electron Microscopy as a scientific technique through innovative instrumentation or novel methods of basic and general interest. Work carried out by pure application of existing techniques will not be considered. The eligible work should not date back more than 7 years. It must be published or it must be accepted for publication at the time of submission of the proposal.

The decision will be made by an independent committee. The ERNST RUSKA PRIZE consists of a certificate, a financial award, as well as the honor of giving an *Ernst-Ruska Distinguished Lecture* at the Ceremony of Award. If a group of authors receives the award, they will be awarded jointly. The ceremony will take place at the Dreiländertagung 2005 meeting in Davos, Switzerland, 28. 8. - 2. 9. 2005.

Proposals including appraisal of the achievement, reprints or preprints, and short CV including list of publications of the authors should be received not later than November 30<sup>th</sup>, 2004, addressed to

President of Deutsche Gesellschaft für Elektronenmikroskopie  
Prof. Dr. Hannes Lichte  
Institute of Structure Physics  
Dresden University  
D 01062 Dresden
